Evaluation 2015/16

Children at Willow Brook have had opportunities to excel in the sporting opportunities above in 2015/2016. The outcome of these interventions indicate that our pupils are becoming more involved and engaged in sporting activities and have become more skilled, as evidenced by high placing at inter-school events within the local community. Sporting achievement is celebrated through assemblies, displays and whole school events. Regular newsletters report on sporting activities. Our highly successful sports days were well attended by parents and every child took part. Sports and P.E. lessons are of a very high quality and pupils are actively involved.
